

OBRA

Oregon Bicycle Racing Association

OBRA BUSINESS MEMBERSHIP

ANNUAL COST: \$100

To better serve the businesses and community that supports us, we are happy to provide business with a special OBRA Business Membership. The fund we raise from the Business Memberships will directly impact bike racing in Oregon. We will use the funds to help promoters offset the costs for putting on races, and allow OBRA to expand its reach both within Oregon and beyond.

In return, you will receive a special logo and link to your website on the OBRA webpage. You will also receive a special "OBRA Business Member" sticker for your brick and mortar location.

We also suggest that OBRA Business Members provide a discount for products or services to OBRA Members. We believe this may help drive traffic to your business.

Please provide more information on what discount you'd like to offer OBRA Members:
